The Benefits of using Biometric Authentication for Physical Access  
Control

**Date: Tuesday, May 21, 2013**

**Time: 2:00-3:00 pm Eastern, 11:00 am-12:00 noon Pacific**

[Fujitsu Frontech North America Inc.](#), a leader in innovative technology and front-end solutions, today announced Christer Bergman, founder of [Novexus, LLC](#), will be discussing "The Benefits of using Biometric Authentication for Access Control," during a webinar sponsored by Fujitsu, and moderated by Scott Goldfine, Editor-in-Chief of [Security Sales & Integration](#). Joining Christer will be Dan Miller, Fujitsu's Sales Manager for Security Solutions.

Novexus, LLC, is a business development consultancy company based in Vienna, Virginia. Since 2000, Mr. Bergman has been a well-known business leader in the Security and Biometrics industry and has been involved in numerous speaking engagements before industry groups as well as the Us Congress.

The live webinar will take place on **Tuesday, May 21, 2013, from 2:00 pm-3:00 pm EDT**. To register for the webinar, please visit Security Sales & Integration at [www.SecuritySales.com/FujitsuWebinar](http://www.SecuritySales.com/FujitsuWebinar) and pre-register.

If you are unable to attend the live webinar, a recording of the webinar will be available for up 12 months on the Security Sales & Integration website.

Thank You  
The Biometric Identity Solutions Team
